SALAMTOUCH

How SalamTouch works

Four clear steps — send from the ring after you pair once.

01

Pair once

Sender and receiver pair once in the iTasbeeh Salam App.

02

Choose a Salam

Choose from 10 preset Salam messages.

03

Tap 4 times

Tap your ring 4 times to send.

04

They feel it

Their ring vibrates and shows SALAM.

After pairing, everyday sending and receiving doesn't need the app open.

SalamTouch is available on Daily Ring SQ905. Features vary by model and software version.
